REPORT ON SESSION ON MIC PROGRAMMES & SCHEMES WITH DR. ABHAY JERE

Introduction The Ministry of Education's Innovation Cell (MIC) organized an insightful session on MIC Programmes & Schemes featuring Dr. Abhay Jere, Vice Chairman of AICTE and Chief Innovation Officer, Ministry of Education. The session aimed to provide a comprehensive overview of various initiatives, policies, and schemes designed to foster innovation and entrepreneurship in academic institutions across India.

Objectives of the Session The key objectives of the session were:

- To familiarize institutions with the programmes and schemes offered by MIC.
- To encourage participation in government-driven innovation initiatives.
- To provide insights into funding opportunities for research and start-up incubation.
- To emphasize the role of academia in promoting an innovation-driven ecosystem.

Key Highlights of the Session

1. Introduction to MIC Programmes and Schemes:

- Overview of MIC-driven initiatives to promote entrepreneurial mindsets among students and faculty.
- Discussion on the importance of the Institution's Innovation Council (IIC) and its role in nurturing startups.

2. Government Support for Innovation & Entrepreneurship:

- Various funding schemes and grants available for student-led projects and faculty research.
- Collaboration opportunities with industries and government bodies to enhance research impact.

Conclusion The session with Dr. Abhay Jere successfully provided valuable insights into MIC's programmes and schemes, empowering institutions to leverage these initiatives for fostering innovation and entrepreneurship. The discussion reinforced the government's commitment to transforming India into a global hub for innovation-led growth and encouraged institutions to actively contribute to this vision.
