NATIONAL FINANCE CONCLAVE 2.0 - 2026

Organised by: **Faculty of Commerce, Sarala Birla University, Ranchi**
In collaboration with Software Technology Park of India (STPI) &
The Institute of Chartered Accountants of India (ICAI), Ranchi Branch

AI-Driven Transformation in Accounting, Finance & Markets

Theme: Resilience, Innovation, Efficiency & Human Capital

ABOUT THE PROGRAM

The National Finance Conclave 2.0 - 2026 is the second edition of SBU's flagship academic-industry interface, designed to explore how Artificial Intelligence, automation, data analytics, and emerging technologies are reshaping the domains of accounting, finance, banking, taxation, and capital markets.

As the finance ecosystem rapidly evolves with AI-enabled tools such as automated accounting systems, algorithmic trading models, fraud detection engines, digital banking platforms, and behavioural analytics, the conclave aims to prepare students and scholars for a future-ready financial landscape.

The conclave will bring together academicians, industry experts, fintech leaders, professionals, and researchers to discuss real-world applications, ethical challenges, regulatory concerns, and career opportunities in an AI-integrated financial world.
