SBU ROADMAP FOR 2030

“Education is a human right and a force of sustainable development and peace”

In tune with National Education Policy – 2020, SBU outlined ROADMAP 2030, in a meeting chaired by Hon’ble Vice Chancellor, Prof. Gopal Pathak; where a two pronged strategy was clearly defined. Firstly, the phase wise implementation of the special features of National Education Policy and its qualitative contribution in nation building and employment creation. Secondly, special attention was drawn towards setting up of Multidisciplinary Education and Research Facilities for quality improvement in higher and technical education. Further the Choice Based Credit System (CBCS) of the University was also reviewed in the meeting. He also advised the faculty members to prepare at least one research project per year for the development of themselves and the University. Prof. Vijay Kumar Singh, Registrar, SBU told that the future roadmap will be implemented in a phased manner.

Dr. Ria Mukherjee (Asst Prof)

Though the Even Semester 2021 was full of challenges due to pandemic COVID-19, it also provided tremendous opportunities for learning through online platforms. While we all struggled hard in achieving work-life/study-life balance, many of us became acquainted with new technologies and could meet our deadlines timely. But the ride is continuous!

With this third issue of the newsletter our efforts are to provide with all those updates related to meeting of new challenges by the University and implementation of NEP in the SBU curriculum till the virtual commencement of the new batches in different courses.

We feel happy to bring out this issue of the SBU newsletter and convey our heartfelt thanks to all those who contributed and made this possible.
