[View Report](#)

This report is electronically generated against report submitted on Institution's Innovation Council Portal.

On 27th February 2025, Institution's Innovation Council (IIC), Sarala Birla University, Ranchi, hosted an exhibition and poster presentation of innovative projects and prototypes as part of the ongoing initiatives by the **Institution's Innovation Council (IIC)**. The event was designed to showcase the creative and technical prowess of the university's students. It provided a platform for students to present their original ideas and solutions to real-world problems.

The exhibition highlighted the importance of fostering a culture of innovation, entrepreneurship, and research within the academic community. The event witnessed active participation from various departments of Sarala Birla University. Students from engineering, design, business, and other streams presented a wide variety of projects, ranging from **technological innovations** to **sustainable solutions**. The exhibition was open to all students, faculty members, and the general public.

- **Students:** Both undergraduate and postgraduate students were the primary contributors, showcasing their innovations and prototypes through poster.
- **Faculty Members:** Faculty from different departments served as mentors and evaluators, providing feedback and guidance to the participants.

Poster Presentation Session

The poster presentation segment offered students a chance to explain their research or prototype in detail to the audience. Participants designed informative and visually appealing posters that depicted their innovations, methodologies, results, and potential impact. The poster presentations allowed the audience to engage in meaningful discussions and ask questions directly to the presenters, gaining deeper insights into the innovations. The **Exhibition & Poster Presentation of Innovations/Prototypes** organized by the Institution's Innovation Council (IIC) at Sarala Birla University, Ranchi, was a resounding success. It highlighted the ingenuity, creativity, and problem-solving abilities of the university's students and faculty, and helped create a culture of innovation within the academic environment. Such events play a crucial role in bridging the gap between academic knowledge and real-world applications, thereby contributing to the development of impactful and scalable solutions. The Institution's Innovation Council is committed to supporting and nurturing innovative ideas, and this event was just one of the many steps in creating an ecosystem of entrepreneurship and research excellence at Sarala Birla University.
