The Birla Legacy

*Education is a meaningless ritual unless
it can mould the character of student and
give them values of life.*

- Dr. Sarala Devi Birla

VISION & MISSION

Our Vision

To build an egalitarian global society based on national integrity, equality, social justice, secularism, freedom & fraternity, international understanding and scientific approach to the problems of the society, as enshrined in the constitution of India through various modes of teaching-learning process and supported by curricular and co-curricular activities.

Our Mission

To Develop Well-Motivated Global Leaders who will be Intellectually Competent, Morally Upright, Socially Committed, Spiritually Inspired and 'स्वान्तः सुखाय' to propagate the Philosophy of 'वसुधैव कुटुम्बकम्'.

V VC's OVERVIEW

Prof. Gopal Pathak
Vice Chancellor

With great pride, I would like to share with you our progress and achievements during the year, as well as our plans for the future. Despite the unprecedented challenges caused by the pandemic, our university has remained steadfast in its commitment to academic excellence and has continued to strive towards our vision of becoming a world-class institution.

During the academic year 2022-2023, we made significant strides in our academic programs, research, infrastructure development, and student engagement. We expanded our course offerings in various fields, including engineering, applied sciences, management, social sciences, humanities, nursing, performing and fine arts, and yoga & naturopathy, to meet the demands of the industry and the changing global scenario. Our faculty members were actively engaged in research and publication activities, resulting in a rise in the number of research publications in journals.

We also established an Innovation and Entrepreneurship Cell to encourage our students to think creatively and turn their ideas into successful ventures. We collaborated with various organizations to provide our students with internships and industry exposure, enhancing their employability. Moreover, we made significant progress in infrastructure development by constructing new buildings, upgrading our laboratories and libraries, and installing modern technology and equipment to facilitate teaching and research.

Our faculty members continued to be the backbone of our academic excellence. We recruited several new faculty members, including some of the best names in academia, during the year, which further strengthened our academic team. Our students also excelled in various academic and co-curricular activities and participated in several state and national competitions, showcasing their commitment to social causes.

As we look to the future, we are determined to continue our efforts to make Sarala Birla University a premier institution of higher education and research. We will focus on enhancing the quality of our academic programs, research output, and industry partnerships. We will continue to invest in our infrastructure, technology, and faculty development to create a nurturing environment that enables our students to realize their full potential and contribute to society. As part of this endeavour, SBU has signed an agreement with the University of California, Berkeley to offer a visiting student program that will provide our students with invaluable educational exposure.

In conclusion, I would like to extend my sincere gratitude to the Honorable Chairperson, Smt. Jayashree Mohta; Honorable Pro Chancellor, Sri B. K. Dalan; Honorable Member of BOG, Sri Anant Jatia, Dr. Pradeep Varma and other esteemed members of the board, as well as our dedicated faculty members, committed staff, and students, for their unwavering support and contributions to the growth of SBU. I also express my heartfelt thanks to our stakeholders, including parents, alumni, industry partners, and the government, for their continued support and encouragement.

Thank you.

Sincerely,
Prof. Gopal Pathak
Vice Chancellor
Sarala Birla University

MODE OF ADMISSIONS

SBU, Ranchi offers two modes of admission for the convenience of the students and parents.

Online Admission

Students from remote locations who are unable to visit campus physically have the privilege to complete entire admission process in online mode. Students are provided with admission link **<https://admission.sbu.ac.in>** by dedicated counsellor (Link is also available on our website) who facilitates students throughout the admission process and beyond.

Offline Admission

Considering that a number of people are still untouched by digital literacy, SBU also accepts admission in offline mode. Students/Parents can visit the campus, consult with any one of our councillor and complete the entire process in offline mode.

Scholarship Scheme

4	Sarala Birla Public School Students / Sarala Birla University	25% on Tuition fee only for all semesters	
5	Students with differently able.	25% on Tuition fee only for all semesters	
6	Kashmiri Migrant Students.	15% on Tuition fee only for all semesters	
7	Sports (National)	10% on Tuition fee only for all semesters	
Note: The above Scholarship schemes are only applicable to the students who produce original and valid document proof at the time of Counselling.			
Scholarship schemes are not applicable on Hostel Fee.			
Scholarship will be applicable on tuition fee in all the semesters.			
Students availing any of above Scholarship will not be eligible for Internal Scholarship.			
Scholarship scheme are as per SBU norms.			
2. Scholarship Details for Diploma / UG / PG Courses			
In the persuit of attaining overall excellence, we are providing scholarship for the meritorious students as per details furnished below.			
Sl. No	Scholarship Type	Criteria	Scholarship
1	Merit scholarship	95% marks or above in qualifying examination & Outstanding performancein PI	50 % on Tuition fee
2	Merit scholarship	90% marks or above in qualifying examination & outstanding performance in PI	25 % on Tuition fee
3	Merit scholarship	80% marks or above in qualifying examination & outstanding performance in PI	20 % on Tuition fee
4	Merit scholarship	70% marks or above in qualifying examination & outstanding performance in PI	10 % on Tuition fee
Scholarship will be applied on producing documents of last qualified exam.			
Scholarship schemes are not applicable on Hostel Fee.			
Scholarship will be applied on 1st year i.e. Semester I & II.			
Scholarship provided at the time of admission will be subject to verification of original documents in Counselling.			
Scholarship scheme are as per SBU norms.			
3. Internal Scholarship Details for Diploma / UG / PG Courses			
In the persuit of attaining overall excellence, we are providing scholarship to the performers in Semester examinations of Sarala Birla University.			
Sl. No	Scholarship Type	Criteria	Scholarship
1	Merit scholarship	First 10% Students out of top 20% in Semester Exam	25% on Tuition fee
2	Merit scholarship	Second 10% Students out of top 20% in Semester Exam	10% on Tuition fee
Scholarship will be applicable only for one consecutive semester.			
Scholarship schemes are not applicable on Hostel Fee.			
Scholarship Is valid only for One Semester.			
Scholarship scheme are as per SBU norms.			

Eligibility Criteria		
COURSES	BRANCH & SPECIALISATION	Eligibility Criteria
B.A. (Hons.)	English	The student should have passed (10+2) qualifying examination or equivalent with a minimum of 40% Marks (35% in case of candidates belonging to reserved category) and English should be one of the subjects.
	Economics	
	Sanskrit	
BBA	HR	The student should have passed (10+2) qualifying examination or equivalent with a minimum of 40% Marks (35% in case of candidates belonging to reserved category) and English should be one of the subjects.
	Digital Media & Marketing	
	Banking Financial Services & Infrastructure	
	Retail & E-commerce Management	
	Logistics & Supply Chain Management	
BBA-Capital Market		The student should have Passed (10+2) qualifying examination or equivalent with a minimum of 40% Marks (35% Marks in case of candidates belonging to reserved category) and English should be one of the subjects.
BCA		Passed (10+2) or equivalent with a minimum of 40% (35% in case of candidates belonging to reserved category) and English should be one of the subjects.
B.Com (Hons.)	Accounts	The candidates should have passed Senior Secondary (10+2) Examination from any recognized Board/University with at least five subjects including English as one of the subjects obtaining at least 40% marks in Science & Commerce (35% in case of candidates belonging to reserved category).
	E-Commerce	
	Taxation	
B.Sc (Hons.) Mathematics		The student should have passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject. Obtained at least 45% marks (40% in case of candidates belonging to reserved category) in the above subjects taken together. Students appearing in (10+2 examination) may also apply.
Bachelor of Yoga & Naturopathy		The student should have passed (10+2) qualifying examination or equivalent with a minimum of 50% Marks (45% in case of candidates belonging to reserved category). Students appearing in (10+2 examination) may also apply for admissions.
B.Tech	Civil Engineering (Urban Planning & Management & Construction Technology & Management)	The student should have passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject. Obtained at least 45% marks (40% in case of candidates belonging to reserved category) in the above subjects taken together. Students appearing in (10+2 examination) may also apply
	Computer Science Engineering (Computer Science & Information Technology, Block Chain Technology & Information Technology, Artificial Intelligence & Machine Learning, Data Science & Cloud Computing & Internet of Things & Cyber Security)	
	Electrical & Electronics Engineering (Renewable Energy & Power Electronics)	
	Electronics and Communications Engineering (Robotics & Drone & Renewable Energy)	
	Mechanical engineering (Automotive Technologies & Mechatronics)	
B.Tech (Lateral Entry)	Civil Engineering	Passed Diploma examination with at least 45% marks (40% in case of candidates belonging to reserved category) in appropriate branch of Engineering and Technology. OR Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
	Computer Science Engineering	
	Electrical & Electronics Engineering	
	Electronics and Communications Engineering	
	Mechanical engineering	
Diploma	Civil Engineering	The student should have passed 10th examination and has obtained at least 45% marks (40% in case of candidates belonging to reserved category) in the above subjects taken together. Students appearing in (10th examination) may also apply
	Computer Science Engineering	
	Electrical & Electronics Engineering	
	Electronics and Communications Engineering	
	Mechanical engineering	
Diploma (Lateral Entry)	Civil Engineering	10+(2 years ITI) with appropriate Trade in that order shall be eligible for admission to Second Year Diploma Course(s) of appropriate Programme. Or 12th Science (with Mathematics as one of the Subject) or 12th Science with Vocational OR 12th Science with Technical.
	Computer Science Engineering	
	Electrical & Electronics Engineering	
	Electronics and Communications Engineering	
	Mechanical engineering	
Diploma in Yoga & Fitness Trainer		Passed 10th Std./SSC examination. Obtained at least 40% marks in the qualifying examination.
MBA	HR	Passed Bachelor's Degree of minimum 3 years duration. Obtained at least 50% marks (45% in case of candidates belonging to reserved category) in the qualifying examination.
	Digital Media & Marketing	
	Banking Financial Services & Infrastructure	
	Business Analytics	

M.Com	Accounts	50% marks in aggregate in B.Com, BBA (any stream) (40% in case of candidates belonging to reserved category)
M.Tech	Computer Science & Engineering, Thermal Engineering, Structural Engineering, Environmental Engineering, Construction Technology & Management, Control System, Power Systems, Signal Processing & VLSI	50% marks in aggregate in B. Tech (any stream) from a recognized university. (40% in case of candidates belonging to reserved category)
M.A.	M.A. Economics	Candidates who have pursued a BA in English or equivalent degree with a minimum overall aggregate of 50% are eligible. / Students with a bachelor's degree in any subject and minimum 50% score can apply for a master's in
	M.A. English	
M.Sc. in Yogic Sciences		Minimum Graduation or Equivalent
MCA		Obtained at least 50% marks in the qualifying Examination OR Passed B.Sc./ B.Com./ B.A. with Mathematics at 10+2 Level or at Graduation Level. (40% in case of candidates belonging to reserved category)
Ph. D	Engineering	a) Candidates possessing M.Tech./B.Tech./M.E./M.Sc.(Engg.)/M.Sc /MCA / MBA / MA or equivalent Degree in relevant branch from a recognized University with minimum 55% marks or 6.0 CGPA on a ten point scale in the qualifying examination are eligible to apply for admission in the relevant departments. b) Sponsored candidates must have minimum of two years of professional work experience, besides fulfilling the above criteria. In addition, such candidates should have valid sponsorship at least for three years.
	Commerce & Management	
	Humanities	

■ Examination Report

E

Examination

The examinations were scheduled as per the academic calendar and examination calendar. The students themselves register for the examination of regular courses and backlog courses and examination were scheduled for only those courses in which the students were registered.

The Program-wise details of the number of students graduated from the University in 2022-23 academic session are given below:

Program	Admission Batch	Total Pass-out Students
MBA	Admission Batch 2021	42
M.Com	Admission Batch 2021	4
BBA	Admission Batch 2020	169
BBA CM	Admission Batch 2020	11
B.Com (H) Accounts	Admission Batch 2020	106
MA English	Admission Batch 2021	3
BA (H) English	Admission Batch 2020	62
M.Sc. in Yogic Science	Admission Batch 2021	6
B.Sc. in Yogic Science	Admission Batch 2020	5
MCA	Admission Batch 2021	34
BCA	Admission Batch 2020	85
B.Tech CSE	Admission Batch 2019 [Including Lateral]	49
B.Tech CE	Admission Batch 2019 [Including Lateral]	12
B.Tech EEE	Admission Batch 2019 [Including Lateral]	8
B.Tech ME	Admission Batch 2019 [Including Lateral]	16
B.Tech ECE	Admission Batch 2019 [Including Lateral]	4
Diploma CSE	Admission Batch 2020 [Including Lateral]	27
Diploma CE	Admission Batch 2020 [Including Lateral]	22
Diploma EEE	Admission Batch 2020 [Including Lateral]	8
Diploma ME	Admission Batch 2020 [Including Lateral]	15

R&P

Research and Publications

University Publications

MANTHAN-SBU JOURNAL OF COMMERCE, MANAGEMENT & HUMANITIES

- The journal aims at disseminating original, scientific, theoretical or applied research for providing a platform for publishing research and result with a strong empirical element so as to channel the significant gap existing between research and practice.
- The journal covers all topics in the field of Management, Humanities, English Literature, Global Studies, and Art Discipline.
- It aims to bring its readers the very best analysis and discussion in the developing field of management and humanities and social sciences.
- The Journal also gives emphasis towards the development and retention of outstanding scholars.
- It further aims to bring its readers the best analysis and discussion in the developing field of Management and Humanities.

SHODH MANTHAN-SBU JOURNAL OF APPLIED SCIENCE & ENGINEERING

- This journal intends to capture and achieve the advancing boundary of knowledge and technology by encouraging researchers and academicians to present and discuss matters of major interest in the field of Engineering and Science.
- This journal publishes and promotes original research papers, experimental works, case studies and review papers related to the broad spectrum of Civil engineering, Computer Science Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering and Applied Science and Technology.
- The Journal provides a platform for scholars to share their knowledge and innovation in the field of Science and Engineering.
- It also aims to enhance the interdisciplinary studies for the development of new era of Technology, Industry and Society.
- It aims to give emphasis on empowering the scholar to maximizing their potential.

Distinguished Alumni Association

Alumni Association

The University has formed Alumni Association in the name of “**Sarala Birla University Alumni Association**”, to provide a forum so as to bring together all the Ex-students of the University, so that they can contribute their expertise in technology to help each other for achieving various academic and non-academic goals of the University. The Alumni Association has filed for registration ‘Under Society Registration Act’ and is in progress.

Following are the office bearers of the “Sarala Birla University Alumni Association”

- President – Prof. Rahul Vats
- General Secretary – Dr. Ashok Kr. Asthana
- Treasurer – Mr. Prateek Kumar

The Aims and Objectives of the Association:

- To provide a forum for all its members for interaction at various levels.
- To achieve high degree of belongingness with the University and all other alumni passed over in different years;
- To foster a feeling of brotherhood and friendship and to promote the spirit of mutual helpfulness amongst the members of the Association
- To collect, publish and disseminate information that is relevant to all the members of the Association.
- To play a significant role in the placement of students of the University in reputed organizations.
- To bring the Ex-students of SBU, Ranchi under one forum for exchange of experience, dissemination of knowledge and talents amongst its members and also for the furtherance of fellowship, advancement of scientific

knowledge in general of the members of the Association and country.

- To conduct seminars, conferences, workshops, endowment lectures and other academic activities and also to keep in touch with the University faculty, non teaching staff and students.
- To create and establish Alumni endowments for granting scholarships, prizes and medals to the students showing high proficiency in their studies and honour former students of the University.
- To advise and interact with State and Central Government Bodies, Universities and Associations of other academic institutions on matters relating to promotion of higher education, training and management systems and thereby promote the welfare and status of the University.
- To collect funds through subscriptions, contributions, donations and gifts from members, non-members, governments universities and other institutions and philanthropists for furtherance of the above-mentioned objectives.
- To render financial aid to deserving poor students studying in the University.
- To render financial aid to deserving alumni in cases of extreme compassionate circumstances.
- To bring out magazines, souvenirs and newsletters highlighting the activities of the University and its Alumni
- To organize cultural and educational programmes and also to conduct Alumni Day celebrations every year.
- To help the Alumni to get advice from the University on various technical problems and job opportunities that they may come across in their work and real life.
- To carry out such other activities as may be necessary for furthering the above aims and objectives, however no commercial activities will be carried out by the association.

Extra-Curricular Activities

National Conference:

Faculty of Commerce & Management, Sarala Birla University, organized a National Conference on Emerging Trends in Innovative and Sustainable Business Practices on 13th and 14th October 2022. The conference highlights the use and implementation of sustainable business practices in the present era. The main objective of this conference was to explore pathways to address sustainability issues and the ways to resolve them.

Saraswati Puja:

Sarala Birla University hosted the Basant Panchami Utsav on its campus on January 24, 2023. An idol of Goddess Saraswati was placed at Puja Sthal in the open amphi theatre near the Administrative block of the University. The campus was lavishly adorned for the occasion.

Holi Milan Samorah:

Sarala Birla University put on a spectacular and vibrant event on March 7, 2023 to celebrate Holi. By using Gulal and participating in a safe and herbal Holi celebration, all of the teachers and students exchanged heartfelt wishes.

Umang:

On 9th & 10th February 2023, Sarala Birla University, Ranchi conducted its annual sports meet, Umang-23. Students took part in a number of sports, including football, cricket, basketball, tug of war, volleyball, shot put, and track & field competitions.

CSR Summit-2023

The National CSR Summit-2023 was organized by the Faculty of Commerce & Management, Sarala Birla University, Ranchi on "Corporate Social Responsibility: Ethical Practices towards Rural & Tribal Sustainable Quality Assurance in the New Civil Society" on 6th January 2023.

Youth Parliament

Sarala Birla University organized the District Level Leveraging Neighbourhood Youth Parliament Program in association with Nehru Yuva Kendra Sangathan on 26th February 2023. The theme of the program was "Vasudhaiva Kutumbakam- One Earth, One Family, One Future".

National Seminar

The Faculty of Humanities & Linguistics, Sarala Birla University organized a National Seminar on "Translation Studies in Indian Languages and Indian Knowledge System" on 2nd and 3rd March 2023.

G-20 Seminar

The Faculty of Commerce & Management and Faculty of Humanities & Linguistics collaboratively organized the seminar on G-20 "Vasudhaiva Kutumbakam- One Earth, One Family, One Future" on 23rd March 2023.

National Conference

The Department of Yogic Sciences & Naturopathy organized the two-day National Conference on "Lifestyle Disorders: Solution with Yoga & Alternative Therapies" on 5th and 6th April 2023.

Chitrapat Jharkhand Film Mahotsav-2023

A three-day Chitrapat Jharkhand Film Mahotsav-2023 was organized in Sarala Birla University, Ranchi from 23rd June to 25th June 2023. More than 100 films from across the state were screened in it. Its main objective was to promote the regional cinema.

Staff & Student's Welfare

- Staff & Student Welfare is the primary objective of the University.
- Training Sessions & Expert Talks are arranged from time to time for both the staff and students.
- The University offers accommodation to limited staff within and around the campus.
- In the case of sudden demise of any SBU staff, the University offers job to their dependent (conditional).
- Facilities like, scholarships, conveyance, etc., are extended to all associated with the University.
- Free conveyance facility is given to all staff and conveyance facility is given to students on payment of nominal fee, for commuting to the University.
- A comprehensive overview of student status regarding scholarships for the Session 2022-2023 is tabulated below.

Scholarships :

Sl. No.	Category (UG & PG)	Scholarship	No. of Students Availing Scholarships
1	Armed Forces	15%	74
2	BAGM UNITS	25%	08
3	Differently abled student	25%	03
4	Merit	10%	538
5	Merit	20%	268
6	Merit	25%	36
7	Merit	50%	13
	Others	10% to 60%	18
	Police	15%	13
	SBPS Student	25%	50
	SBU Student	25%	55
8	Sports	10%	03
		Total	1079

Community Outreach through NSS

NSS REPORT

1. Introduction

National Service Scheme (NSS) started in Sarala Birla University in 2019 with 200 students volunteers in two units, unit I & unit II.

Program officer unit I :- Dr. Sanjeev Kumar

Program officer unit II :- Dr. Megha Sinha

Program Coordinator :- Dr. Sanjeev Kr. Sinha

State Nodal Officer :- Dr. Brajesh Kumar

National Service Scheme plays a crucial role in promoting social welfare, addressing inequalities, and enhancing the quality of life for the deprived communities. Through various programs and initiatives, it aims to create a more inclusive society where every citizen has access to basic needs and opportunities for development.

Objectives

The primary objectives of National Service Scheme is "Not me But you". The other objectives are:

1. Empowerment of deprived Groups: Focus on empowering women, children, Scheduled Castes, Scheduled Tribes, and other disadvantaged groups through targeted schemes.
2. Social Justice and Equality: Promote social justice by addressing systemic inequalities and ensuring equal rights for all citizens.
3. Community Development: Encourage community participation in development activities to foster self-reliance and sustainable growth. Initiatives focused on health, sanitation, education, and environmental conservation.
4. Health and Education: Improve access to healthcare and education, particularly for underserved populations, to enhance overall well-being.
5. Disaster Management: Develop frameworks for disaster preparedness and response to protect vulnerable communities. Participation in disaster management and relief efforts during natural calamities.
6. Awareness Campaigns: Programs addressing social issues like gender equality, literacy, and health awareness.
7. Promote national integration: through cultural Programs and cultural exchange activities.

Achievements

Over the years, National Service Scheme in India has made significant strides in various areas:

1. Women's Empowerment: Initiatives like the National Rural Livelihood Mission (NRLM) and the Beti Bachao Beti Padhao scheme have successfully empowered women through skill development and awareness programs, leading to increased participation in the workforce.
2. Poverty Reduction: The implementation of the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) has provided millions of rural households with guaranteed wage employment, effectively lifting many out of poverty.
3. Education Initiatives: Programs such as the Sarva Shiksha Abhiyan (SSA) and the Right to Education Act have significantly increased enrollment rates in primary education, particularly for girls and children from marginalized communities.
4. Health Programs: The National Health Mission (NHM) has enhanced healthcare access and quality, resulting in improved maternal and child health indicators across the country.
5. Social Security Schemes: The introduction of various social security schemes, including the Pradhan Mantri Jan Dhan Yojana and the Atal Pension Yojana, has improved financial inclusion and provided safety nets for the vulnerable.
6. Disaster Management: The National Disaster Management Authority (NDMA) has established protocols and training programs, enhancing the resilience of communities to natural disasters.

Conclusion

The National Service Scheme continues to evolve, addressing the dynamic challenges faced by society. With a clear focus on empowerment, equality, and sustainable development, these initiatives aim to create a just and equitable society where every individual can thrive. Ongoing efforts and innovations will be essential to further these objectives and achieve lasting impact in the years to come.

The various outreach programs conducted by NSS of SBU are mentioned as below:

SL- No	Date	Name of the activity	Organising unit/ agency/ collaborating agency	Name of the scheme	Year of the activity	Number of students participated in such activities	Resource Person/Organisation/Guest
1	04.07.2022	Red Ribbon Club Formation	Unit-I/unit II	NSS	2022	10	Dr.V. K. Singh, Dr.Sanjeev Kr. Sinha, Dr.Megha Sinha, Dr.Arohi Anand,
2	13.08.2022	Plantation in Jaratoli & Baram	Unit-I/unit II	NSS	2022	200	Dr.Sanjeev kr sinha,Dr.Megha sinha, Dr.Arohi Anand,Dr.Ria Mukherjee
3	13.08.2022	Har Ghar Tiranga	Unit-I/unit II	NSS	2022	200	Dr.Sanjeev kr sinha,Dr.Megha sinha, Dr.Arohi Anand,Dr.Ria Mukherjee
4	25.08.2022	Precation does Corona Vaccine	Unit-I/unit II	NSS	2022	700	Prof.(Dr.) Gopal Pathak(Vice Chancellor) DR.V.K.Singh. Dr.S.K.Sinha. Dr.Megha Sinha. Dr.Sanjeev Kr. Prof.Rahul Vats. Mr.Ajay Kumar
5	24.09.2022	Yuva Mahotsav	NYKSRU & SBU	NSS	2022	40	VC RU,DSPMU, Dr.S.K.Sinha, Dr.Brajesh Kr & Others.
6	12.01.2023	159 Birth Anniversary of Swami Viveka Nand	Unit-I/unit II	NSS	2023	200	Prof.(Dr.) Gopal Pathak(VC) DR.V.K.Singh, Dr.S.K.Sinha. Dr.Megha Sinha, Dr.Sanjeev Kr. Prof.Rahul Vats, Mr.Ajay Kumar all Deans & all Faculty Members.
7	23.01.2023	" Prakaram Diwas."	Unit-I/unit II	NSS	2023	200	Prof. S.B.Dandin, Dr. S.K.Sinha. Dr.Megha Sinha, Dr.Sanjeev Kr. all Deans & all Faculty Members.
8	22.03.2023	Blood donation camp	Unit-I/unit II	NSS	2023	300	Prof.(Dr.) Gopal Pathak(VC) DR.V.K.Singh, Dr.S.K.Sinha. Dr.Megha Sinha, Dr.Sanjeev Kr. Prof.Rahul Vats, Mr.Ajay Kumar all Deans & all Faculty Members.
9	25.03.2023	Orientation Programe	Unit-I/unit II	NSS	2023		
10	05.06.2023	World Environment Programe	Unit-I/unit II	NSS	2023	130	Prof.(Dr.) Gopal Pathak(VC) DR. V.K.Singh, Dr. S.K.Sinha. Dr.Megha Sinha, Dr.Sanjeev Kr. Deans & all Faculty Members.
11	07.06.2023	International sports day	Unit-I/unit II	NSS	2023	100	Prof.(Dr.) Gopal Pathak(VC) DR.V.K.Singh, Dr.S.K.Sinha. Dr.Megha Sinha, Dr.Sanjeev Kr. Deans & all Faculty Members.
12	21.06.2023	International Yoga Day	Unit-I/unit II	NSS	2023	500	Prof.(Dr.) Gopal Pathak(VC) DR.V.K.Singh, Dr.S.K.Sinha. Dr.Megha Sinha, Dr.Sanjeev Kr. Deans & all Faculty Members.

O Overview

LIBRARY REPORT

The University Library is a knowledge center with extensive resources in Engineering and Applied science, Commerce and Management, Social science and Humanities, Yoga, and Naturopathy. It is located in a peaceful natural setting with a carpet area of 8952 square feet in the University's Administrative Block. All the books have barcodes and Classifications. The library is operated through automated ERP Software. The University Library is also the Part of NDL (National Digital Library of India). Over 12203 Volumes and 22 National and International Journals are housed in the library.

Library Statistics: 2022-23

Total No of Volumes Purchased	3775
Total Amount of Books /Journals Purchased	Rs.29,94,980
Total No. of Journals Subscribed	22
E-Journals Subscribed	Manu Patra
Total Books Entered in ERP Software/Classified/ Barcoded	3775

- **Publications**
- **Honours/Awards**
- **Memberships**

Overview

FACULTY OVERVIEW

Dr. Sanjeev Kumar Sinha

Associate Professor (Chemistry)

Journal Publication:

Pintu Das, Abhijit Chatterjee, Sanjeev K.Sinha (2023), "Comparative Study of Physico - Chemical Parameter for Two Distinct Water Bodies of Ranchi District" Journal of Environmental Science & Engineering (Scopus), in press.

Dr. Nitya Garg

Assistant Professor (Physics)

Journal Publication:

Nitya Garg (2023). A brief review of features of copper indium disulphide (CuInS₂) nanomaterials for quantum dot solar cells, Algerian Journal of Engineering and Technology, 08, 138–146, ISSN: 2716-9227.

Dr. Rohit Mukherjee

Assistant Professor (Physics)

Journal Publications:

- Rohit Mukherjee, and S. Konar; "Electromagnetically Induced Transparency Based Quantum Well Infrared Photodetectors," Journal of Luminescence 251, 119176 (2022). (I. F=3.6) (SCI, Q1)
- Monika Nath, Rohit Mukherjee, and Nitu Borgohain; "Giant Kerr-Quintic-Septic Nonlinearities in Semiconductor Quantum Wells," European Physical Journal Plus **137**, 903 (2022). (I. F=3.4) (SCI, Q2)

Mr. Abhijit Chatterjee

Teaching Assistant (Chemistry)

Journal Publication:

Pintu Das, Abhijit Chatterjee, Sanjeev K.Sinha (2023), "Comparative Study of Physico -Chemical Parameter for Two Distinct Water Bodies of Ranchi District" Journal of Environmental Science & Engineering (Scopus), in press.

Dr. Sagar Sarangi

Assistant Professor (Civil Engineering)

Journal Publication:

- S. Sarangi & B. Kumar, **Influence of Textile Fiber in the Mechanical Characteristic of Hybrid Fiber Reinforced Concrete**, Journal of Natural Fibers. 1544-046X.

Dr. Pintu Das

Assistant Professor (Mathematics)

Journal Publications:

- Multispecies Solute Dispersion with Variable Porosity in Semi-Infinite Saturated Porous Media, Das P., Akhter A. and Singh M. K., Arabian Journal of Geosciences, Springer. Vol. 15, 1134 (2022). (Scopus), IF-0.406
- Comparative Study of Analytical and Numerical Solutions for Solute Transport in Two-Dimensional Homogeneous and Anisotropic Porous Media with Time-Dependent Velocity Field, Jaiswal D. K., Kumari P., Das P. and Singh. P, Ganita, Vol.73(2), 2023, 105-122.

FACULTY OVERVIEW

Dr. Vikash Kumar

Assistant Professor (Mathematics)

Journal Publications:

- Saha, S., Kumar, V., Bhushan, A., & Das, A. N. (2023). Mechanics of Indentation for an Elastic Half-Space by Punches. WSEAS Transactions on Applied and Theoretical Mechanics, 18, 310-317. ISSN No: 2224-3429.
- Rao, S., Shankar, R., Kumar, I., Gupta, S., Baronia, A., & Kumar, V. (2023, December). Investigation of Deep Learning Based NOMA System Over Time Varying Fading. 2023 (Vol. 10, pp. 753-760). IEEE.

Dr. Ravi Kumar Verma

Assistant Professor (Mathematics)

Journal Publications:

- Verma, R.K., Pal, A.K., Kushvah, B.S. and Mahato, G., 2023. Effect of finite straight segment and oblateness in the restricted 2+2 body problem. Archive of Applied Mechanics, 93(7), pp.2813-2829, ISSN: 1432-0681.
- Verma, R.K., Kushvah, B.S., Mahato, G. and Pal, A.K., 2023. Perturbed Restricted Problem of Three Bodies with Elongated Smaller Primary. The Journal of the Astronautical Sciences, 70(3), pp.1-26, ISSN: 2195-0571.

Dr. Bishnu Charan Rout

Assistant Professor (Mathematics)

Journal Publications:

- SR Mishra, Tian-Chuan Sun, BC Rout, M Ijaz Khan, M Kbiri Alaoui, Sami Ullah Khan, (2022), [Control of dusty nanofluid due to the interaction on dust particles in a conducting medium: Numerical investigation, Alexandria Engineering Journal, 04\(61\), 3341-3349. ISSN: 2090-2670.](#)
- B.C. Rout, Chandan Dehury. (2023) [Foreign Exchange Reserves: A Causal Study With Empirical Analysis In Indian Context, Tripti European Chemical Bulletin 12 \(10\), 1422 – 1428. ISSN 2063-5346.](#)

Dr. Partha Paul

Associate Professor (Computer Science Engineering)

Journal Publication:

1. Sanyal Kaustav & Paul Partha (2022).” **SKIP-GRAM Vectorisation of the Semantic rules of PANINI for Artificial Neural Network for Sanskrit Grammar.**” Semi-Conductor Optoelectronics, vol.41, pp: 767-770.
2. Sanyal Kaustav & Paul Partha (2022).” **Construction of a Recurrent Neural Network from the Amar Kosha.**” International Journal of Mathematical Statistician and Engineering Application, vol. 71, pp.8958-8963.
3. Ghosh swagata, Paul P, Sharma Neeraj Kumar (2023) “**Comparative study of Unsupervised Classification in Land use Land Cover data**”. In Proceedings of Microelectronics, Computing & Communication Systems (MCCS 2023).

FACULTY OVERVIEW

Dr. Santosh Kr. Das

Assistant Professor (Computer Science Engineering)

Journal Publication:

- Das, S. K., Dey, N., Crespo, R. G., & Herrera-Viedma, E. (2023). **"A non-linear multi-objective technique for hybrid peer-to-peer communication"**. Information Sciences, Vol: 629, Issue C, pp: 413-439.
- Santosh Kumar Das (2023), Nilanjan Dey **"Constraint Decision-Making Systems in Engineering"**, IGI Global, ISBN: 9781668473436.
- Santosh Kumar Das (2022), Massimiliano Giacalone, **"Fuzzy Optimization Techniques in the Areas of Science and Management"**, CRC Press.

Mr. Prakash Anand

Assistant Professor (Computer Science Engineering)

Journal Publication:

- Prakash Anand, Dr. Priyanka Srivastava, Dr. Piyush Ranjan (2023). **A Review of Different Handwritten Character Recognition Methods**, Mukta Shabd Journal, pp: 976-994, Vol.12, Issue XII.

Overview

TRAINING & PLACEMENT

The University emphasizes multidimensional training of students in-line with various industry expectations. In addition to facilitating the placement of students, the Training & Placement Cell collaborates with leading organizations to provide internships and training programs for the students. The Training & Placement cell provides infra structural and logistical support for group discussions, tests, and interviews. Seminars and PDP lectures are organized by the cell to build confidence among the students prior to their campus placements. The institute offers employment opportunities in the various industries namely Core Engineering, IT and IT-enabled services, Manufacturing, Consultancy Firms, Finance Companies, Management Companies and R & D Laboratories.

P PLACEMENT

Placement Report 2023

The T&P Cell put all its effort in making the placement drive for the 2023 batch successful.

We are pleased to inform that we have achieved 91% placement.

This year we almost sent 2000+ placement invitation emails to HR/Companies for final placements and internships. As for the final placement, we have connected with and received responses from more than 170+ companies. About 100+ placement drives have been successfully conducted this year for the 2023 batch (Virtual and Physical Modes both)

DIGITAL & INFORMATICS TEAM

O *Overview*

Digital & Informatics Team

The Digital & Informatics Team at Sarala Birla University continues to play a critical role in enabling the institution's growth and success. Over the past year, the IT department has been working diligently to ensure that the university's technological infrastructure remains up-to-date, reliable, and secure. Some of the major achievements of the team this year include: Providing support and arrangements to facilitate various academic and extra-curricular events held throughout the year. Working closely with other departments to identify and address areas where technology can be used to improve operations and processes. Actively supporting all NAAC and other accreditation-related requirements to the IQAC Cell, SBU. The Digital & Informatics Team has also made significant progress in strengthening the university's cybersecurity posture. In response to the growing threat of cyberattacks, the department has implemented a number of security measures and conducted regular training and awareness sessions for faculty, staff, and students. As a result, the university's digital assets and personal data are better protected against cyber threats. Looking ahead, the Digital & Informatics Team will continue to work towards enhancing the university's technological capabilities and improving the quality of services provided to students, faculty, and staff. The department plans to explore new technologies to improve teaching and learning outcomes and to identify opportunities to automate administrative tasks. The Digital & Informatics Team is committed to staying at the forefront of technological innovation to ensure that Sarala Birla University remains a leader in higher education.

REGISTRAR'S SUMMARY REPORT

R REGISTRAR'S SUMMARY REPORT

Five years have passed since the founding of SBU, Ranchi, a prestigious University in Jharkhand. I am thrilled to deliver University's Annual Report for the Session 2022–2023. The University has put its efforts into developing dependable, committed, and goal-oriented teaching curricula with top-notch research. We provide comprehensive education to our pupils, along with a learning environment that strives towards its objectives.

Our university's core has always been its committed, professional teaching faculty. The distinctive characteristics of the faculties of SBU have always been intellectual brilliance, spiritual vibrancy, and social relevance. The curriculum also includes a work component that enables students to increase their knowledge, get experience, and develop their skills and values to realise their full potential and find employment globally. To reflect current trends in the field and to make use of the newest structures, the syllabus for every course is regularly revised.

Collaboration with foreign Universities

SBU has made significant developments in international collaboration and global partnership with some prestigious universities of the world like the University of Minnesota, Berkeley- University of California, etc to ensure international exposure and enrich the academic and professional development of the students.

Achievement of University during 2022-23:

SBU has made a name for itself in the area as one of the most sought-after universities in such a short period. The university had 70 students when it began offering lessons in 2018, and by the end of the previous academic year, there were 4433 students. During the academic year 2022–2023, 45% of all students enrolled in the University's departments were female.

Placement and Internships: There was a concern that there would be fewer options for placement and internship due to the pandemic, which has now reached every country in the world. According to sources, some business placements and internships in India and overseas have been rescheduled. However, thanks to the extra work of SBU's Training & Placement Cell, the majority of its students were hired. Furthermore, by choosing online internships, the tech-savvy placement team and students have found ways to get around the challenges. We may state with pride that SBU was effective in converting the crises into opportunities. The companies that hired the students were Aditya Birla Capital, Byju's, HDFC Mutual Fund, ICICI Prudential, TCS, and Tata AIG.

Life @ SBU:

At Sarala Birla University, we believe that the quality of campus upkeep reflects the quality of education. In keeping with its strong pro-green tradition, no effort is spared in ensuring that the sprawling 55 acres of campus is kept clean, green, and becoming of our lofty educational standards.

At SBU, we have a strict no-tolerance policy towards littering, chewing tobacco, smoking, drinking, and unnecessary usage of plastic and paper.

Central Library:

The University's library contains a substantial and varied collection of books, mostly in the areas of Management, Information Technology, Business, Engineering, Yoga, Language, and Nursing, as well as access to the internet and Wi-Fi. A strong library is the foundation of any educational establishment. In light of this, we have 13000 volumes and 21 journal subscriptions, and plagiarism detection software like Turnitin.

Laboratories and Workshops: SBU believes in imparting strong practical exposure to its students. Modern laboratories, workshops, and studios are an integral part of the various departments of the University. Each department maintains its specialized labs and workshops, equipped with modern equipment's of industry standards. Labs at SBU can compete with any Institution of national repute. With the financial support of SBU management and the expertise of the concerned faculty and outside experts, we established several new labs in ECE, EEE, ME, CE, CSE and Yoga last year.

Seminar Halls:

Sarala Birla University provides audio-visual equipped Seminar Halls. For large gatherings, the B. K. Birla Auditorium is being used. It is fully air-conditioned has a capacity of 800+ audience and is equipped with all the latest technological gadgets. Shortly we are going to inaugurate the "G.D Birla Auditorium" on the campus with 400 sitting capacities for our students.

Hostels:

All courses offer accommodation for male and female students, depending on space, which is permitted in the dorm based on bed availability. With a total of 170 beds for girls and 175 beds for boys, we have secure residential facilities for both boys and girls. To extent the facilities we are going the inaugurate Boys' hostels and girls' hostels of 658 bed capacities as soon as possible.

In addition to having a constant supply of normal water, purified drinking water, and electricity, the hostels also have their own housekeeping staff. With a team of wardens (both male and female) residing on the hostel grounds, they have 24-hour security.

Cafeteria:

SBU features a reputable cafeteria and restaurant on campus called "Die Mensa" and its extension outlet of 500 capacities serves a variety of cuisines to the students and staff. The university's students and employees can meet their needs through the extremely hygienic culinary facilities that are offered.

Transport:

The university operates a fleet of buses for the convenience of its students and staff due to the high number of day scholars. SBU operates 15 buses in total, serving all routes throughout Ranchi while upholding punctuality and safety.

INDEPENDENT AUDITOR'S REPORTTo the Members of **BHARAT AROGYA & GYAN MANDIR****Report on the Audit of the Financial Statements**

We have audited the financial statements of **SARALA BIRLA UNIVERSITY ("the University")**, an Educational Unit of **BHARAT AROGYA & GYAN MANDIR ("the Society")** of 9/1, R.N. Mukherjee Road, Kolkata 700 001, a society registered under the West Bengal Societies Registration Act, 1961 which comprise the Balance Sheet as at **31st March 2023**, the Income & Expenditure Account for year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements, subject to and read with notes appearing thereon, give the information required by the Regulation in the manner so required and subject to notes appearing in schedule "B" thereon give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Balance Sheet, of the state of affairs of the University as at 31st March 2023;
- in the case of the Income & Expenditure Account, of the Surplus for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Society's Management is responsible for preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the University in accordance with its Regulations and the accounting principles generally accepted in India. This responsibility design, implementation and maintenance of adequate internal controls relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the University's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

MADANLAL & ASSOCIATES

Chartered Accountants

Independent Auditors' Report (cont'd....)

Those charged with governance are also responsible for overseeing the University's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the University's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the University to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

MADANLAL & ASSOCIATES

Chartered Accountants

Independent Auditors' Report (cont'd....)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report under Other Legal and Regulatory

With respect to other matters to be included in the Auditor's Report, in our opinion and to the best of our information and according to the explanations given to us, we also report that:

- We have sought and obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- In our opinion, proper books of account as required by law have been kept by the University, so far as it appears from our examination of those books.
- The Balance Sheet, and the Income and Expenditure account dealt with by this report are in agreement with the books of account.
- In our opinion, the Balance sheet and the Income & Expenditure account, dealt with by this report have been prepared in compliance with the Accounting Standards to the extent applicable to the University.

Schedule 'B'

Significant Accounting Policies and Notes on Accounts for the year ended 31st March, 2023

A. SIGNIFICANT ACCOUNTING POLICIES

1 Accounting Concepts

- i The accounts are prepared on the historical cost basis and on accrual basis of accounting as a going concern and in accordance with the generally accepted accounting principles.
- ii Accounting policies not specifically referred to otherwise are consistent and in consonance with generally accepted accounting principles.

2 Recognition of Income & Expenditure

Fees from students comprising of Tuition Fees, Session Fee, Development fees, Examination Fee, ICT Fees is recognised on semester wise basis. While other Fees being Application fees, Bus Fee, Latp Fee, Fines, Admission fee, Hostel Fee, Re-registration fee are recognised on cash basis
 Interest income is recognised on time proportion basis.
 Expenses are accounted for on accrual basis.
 Subsidy from government, if any, are accounted for on receipt basis.

3 Inventories

Inventories, being consumable in nature are valued at cost on FIFO Basis.

4 Property, Plant & Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation.
 Cost includes all expenses attributable to bringing the assets to its intended use. Projects under Commissioning and other Capital Works-in-Progress are carried at cost, comprising direct cost and related incidental expenses including attributable borrowing costs.

5 Depreciation

Depreciation is provided in the books on Written Down Value method at rates prescribed in the Income Tax Rules, 1962, as amended.

6 Retirement Benefits

Gratuity, leave encashment and other retirement benefits, if any, is accounted for as and when paid.

8 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the Cost. A qualified asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing are charged to Income & Expenditure Account.

7 Provisions and Contingencies

A provision is recognized if, as a result of a past event, the Entity has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the balance sheet date.
 Contingent Liabilities are not provided for and are disclosed by way of Notes on Accounts.
 Contingent Assets are neither recognised nor disclosed in the Financial statements.

8 Use of Estimates

In preparing the financial statements in conformity with the generally accepted accounting principles, the management is required to make estimates and assumptions that may affect the reported amount of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the amount of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period the same is determined.

B. NOTES ON ACCOUNTS

- 1 Gratuity, leave encashment and other retirement benefits, if any, is accounted for as and when paid
- 2 Contingent Liabilities : NIL
- 3 Balances of Receivable, Advances, Creditors are subject to Confirmation and reconciliations.
