BIRLA LEGACY

The Birla family, renowned for their industrial and philanthropic contributions, has a legacy deeply rooted in India's history.

Ghanshyam Das Birla furthered this legacy by establishing several educational institutions, including the prestigious Birla Institute of Technology and Science (BITS) in Pilani. His commitment to education and philanthropy was profound, reflecting his belief that "Education is the foundation upon which we build our future."

Basant Kumar Birla played a crucial role in the modern era of the Birla legacy. Born in 1921, he was the youngest son of Ghanshyam Das Birla. Basant Kumar Birla expanded the family business into new industries and international markets. He was instrumental in establishing several educational institutions, including the BK Birla Institute of Engineering & Technology in Pilani. His leadership and vision were pivotal in transforming the Birla Group into a global conglomerate.

Sarala Devi Birla, wife of Basant Kumar Birla, was a prominent educationist and philanthropist. Together, they founded numerous educational institutions and contributed significantly to social causes. Sarala Devi Birla's dedication to education and social welfare was evident in her active involvement in various charitable activities. Her belief in the power of education to transform lives was a driving force behind her philanthropic efforts.

Smt. Jayashree Mohta, Hon'ble Chancellor of Sarala Birla University, Ranchi, continues to uphold this rich legacy. Her leadership and commitment to fostering quality education are aligned with the values and vision laid down by the Birla family. With her active involvement in the university's development, she ensures that the institution remains a center for academic excellence and holistic development, embodying the principles of innovation, integrity, and social responsibility.

- **The Birla legacy is a testament to the power of vision, hard work, and dedication.**
- **Our commitment to education and social welfare is unwavering, as we believe in building a better future for all.**
- **Innovation and excellence are the cornerstones of our journey, guiding us towards new horizons.**

The Birla family's legacy is not just about business success but also about their profound impact on society. Their contributions to education, healthcare, and social welfare resonate with the values of Sarala Birla University, making it a beacon of quality education and holistic development.

OUR VISION

To build an egalitarian global society based on national integrity, equality, social justice, secularism, freedom and fraternity, international understanding and scientific approach to the problems of the society, as enshrined in the Constitution of India through various modes of teaching- learning process and supported by curricular and co-curricular activities.

OUR MISSION

To develop well-motivated global leaders who are intellectually competent, morally upright, socially committed, spiritually inspired and 'स्वान्तः सुखाय' to propagate the philosophy of 'वसुधैव कुटुम्बकम्'

ABOUT US

Sarala Birla University came into existence under the Sarala Birla University Act, 2017, Government of Jharkhand as per section 2(f) of UGC Act, 1956. SBU Ranchi is nestled in the midst of verdant surroundings, with nearly 60 acres of lush green campus.

Sarala Birla University aims to be a global leader by creating a knowledge economy where there would be an integration of academia and industry to nurture leaders who are creative, enlightened, dynamic and closely connected to the roots.

FACULTY OF ENGINEERING AND COMPUTER SCIENCES

Ph.D • M.Tech • MCA • B.Tech • BCA • Diploma

A cornerstone of innovation and academic excellence within Sarala Birla University (SBU), the Faculty of Engineering and Computer Sciences designs and creates novel technologies and approaches to societal challenges.

We bridge disciplines within engineering and beyond to prepare broadly trained leaders to advance the foundation of engineering and to achieve translational impact. The Faculty of Engineering and Computer Sciences is the connector and integrator of teaching and research in engineering and technology. Our core tenets—educating young-minded students, interdisciplinary research, and balancing theory, experimentation, and practices create an unmatched environment for learning and exploration.

To produce global technocrats, we offer Ph.D., Master of Technology (M.Tech.), Master of Computer Applications (MCA), Bachelor of Technology (B.Tech.), Bachelor of Computer Applications (BCA) & Diploma programs under the Department of Computer Science and Engineering, Electrical & Electronics Engineering, Electronics & Communication Engineering, Mechanical Engineering and Civil Engineering.

These departments are equipped with state-of-the-art laboratories and guided by distinguished faculty members. Moreover, they are focused on cutting-edge technologies like AI/ML, IoT, Block-Chain, Edge Computing, Cloud Computing, Cyber Security, Big-data Analytics, Semiconductors, Embedded/ FPGA design, Mechatronics, Renewable Energy, Drone & Robotics, etc.

FACULTY OF ENGINEERING & COMPUTER SCIENCES

PROGRAMMES

ELIGIBILITY (As per UGC/AICTE Norm)

B.C.A

10+2 or its equivalent examination in any stream with atleast 50% marks conducted by a recognized Board / University with english as one of the subject. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Civil Engineering

10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology/Informatics Practice/Information Technology with at least 50% marks in the aggregate. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Civil Engineering - Lateral

Diploma in Engineering with at least 50% marks OR Passed B.Sc. Degree from a recognized University as defined by UGC,with at least 50% marks and passed 10+2 examination with Mathematics as a subject. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Computer Science & Engineering

10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology/Informatics Practice/Information Technology with at least 50% marks in the aggregate. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Computer Science & Engineering - Lateral

Diploma in Engineering with at least 50% marks OR Passed B.Sc. Degree from a recognized University as defined by UGC,with at least 50% marks and passed 10+2 examination with Mathematics as a subject. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Electrical & Electronics Engineering

10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology/Informatics Practice/Information Technology with at least 50% marks in the aggregate. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Electrical & Electronics Engineering - Lateral

Diploma in Engineering with at least 50% marks OR Passed B.Sc. Degree from a recognized University as defined by UGC,with at least 50% marks and passed 10+2 examination with Mathematics as a subject. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Electronic & Communication Engineering

10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology/Informatics Practice/Information Technology with at least 50% marks in the aggregate. (05% relaxation in marks in case of candidates belonging to ST/SC category).

PROGRAMMES

ELIGIBILITY (As per UGC/AICTE Norm)

B-Tech in Electronic & Communication Engineering - Lateral

Diploma in Engineering with at least 50% marks OR Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks and passed 10+2 examination with Mathematics as a subject. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Mechanical Engineering

10+2 with Physics and Mathematics as compulsory subjects along with one of the following subjects: Chemistry / Biotechnology / Computer Science / Biology/Informatics Practice/Information Technology with at least 50% marks in the aggregate. (05% relaxation in marks in case of candidates belonging to ST/SC category).

B-Tech in Mechanical Engineering - Lateral

Diploma in Engineering with at least 50% marks OR Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks and passed 10+2 examination with Mathematics as a subject. (05% relaxation in marks in case of candidates belonging to ST/SC category).

Diploma in Civil Engineering

Passed 10th Std./SSC examination. Obtained at least 35% marks in the qualifying examination.

Diploma in Civil Engineering - Lateral

Passed 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/Electronics/Information Technology/Biology/Informatics Practices/Biotechnology/Technical Vocational Subject/Agriculture/Engineering Graphics/Business Studies/Entrepreneurship. (Any of the three). OR 10+(2 years ITI) with appropriate Trade in that order shall be eligible for admission to Second Year Diploma Course(s) of appropriate programme.

Diploma in Computer Science & Engineering

Passed 10th Std./SSC examination. Obtained at least 35% marks in the qualifying examination.

Diploma in Computer Science & Engineering - Lateral

Passed 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/Electronics/Information Technology/Biology/Informatics Practices/Biotechnology/Technical Vocational Subject/Agriculture/Engineering Graphics/Business Studies/Entrepreneurship. (Any of the three). OR 10+(2 years ITI) with appropriate Trade in that order shall be eligible for admission to Second Year Diploma Course(s) of appropriate programme. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, e.t.c, for the students coming from diverse backgrounds to achieve desired learning outcome of the programme).

Diploma in Electrical & Electronics Engineering - Lateral

Passed 10+2 examination with Physics/Mathematics/Chemistry/Computer Science/Electronics/Information Technology/Biology/Informatics Practices/Biotechnology/Technical Vocational Subject/Agriculture/Engineering Graphics/Business Studies/Entrepreneurship. (Any of the three). OR 10+(2 years ITI) with appropriate Trade in that order shall be eligible for admission to Second Year Diploma Course(s) of appropriate programme. (The University will offer suitable bridge courses such as Mathematics, Physics, Engineering drawing, e.t.c, for the students coming from diverse backgrounds to achieve desired learning outcome of the programme).

M.Tech in Computer Science & Engineering / Construction Technology & Management / Structural Engineering / Control System / Power System / Signal Processing / Thermal Engineering / VLSI / Civil Environmental Engineering

Passed Bachelor's Degree or equivalent in the relevant field. Obtained at least 50% marks in the qualifying examination. (05% relaxation in marks in case of candidates belonging to ST/SC category).

MCA

Passed BCA/Bachelor Degree in Computer Science Engineering or equivalent Degree. OR Passed B.Sc./B.Com/B.A. with Mathematics at 10+2 level or at Graduation Level (with additional bridge courses as per the norms of the concerned University). Obtained at least 50% marks in the qualifying examination. (05% relaxation in marks in case of candidates belonging to ST/SC category).

FACULTY OF COMMERCE

Ph.D • M.Com • B.Com

The Faculty of Commerce at Sarala Birla University equips students with comprehensive skills, offering a diverse range of programs at the undergraduate, postgraduate, and doctoral levels. The faculty focuses on creating globally competent professionals who can contribute to regional and national economic growth.

Through a teaching approach centered on outcome-based education, students engage in hands-on activities such as case studies, role-playing, and management games. Emphasizing leadership and ethical values, the faculty fosters the development of socio-economically sensitive managers capable of offering innovative business solutions in today's dynamic world.

10+2 with 45% marks in aggregate or its equivalent examination in any stream conducted by a recognized Board/ University / Council with English as one of the subject. (05% relaxation in marks in case of candidates belonging to ST/SC category).

M.B.A in HR / Marketing / Finance

Bachelor degree in any discipline with atleast 50% marks from recognized University/ Institution. Graduates of recognized professional programmes like CA/ ICWA etc. are also eligible to apply. (05% relaxation in marks in case of candidates belonging to ST/SC category).

FACULTY OF NURSING, CLINICAL TECHNOLOGY & PUBLIC HEALTH

B.Sc. • ANM • GNM

Yoga and Naturopathy education has covered the learning of both traditional naturopathy medicine and modern medicine. Yoga was originated in India thousands years ago and it is a structured discipline. In naturopathy students are taught to use natural ingredients to prepare medicines for diseases. Naturopathy is an ancient science which uses natural ingredients to prepare drugs for diseases. To recognize and realize the need of naturopathy Government of India established central council for research in yoga and naturopathy (CCRYN), New Delhi, and NIN (National Institute of Naturopathy) Pune, and near about 500 naturopathy hospitals in India.

Patanjali is one of the most successful Yoga and Naturopathy institute. Globally, with the focus of natural healing, Yoga and Naturopathy is in great demand.

In the Faculty of Yoga, Naturopathy & Allied Sciences at Saraia Birla University offers Diploma, Under Graduate & Post Graduate Programme. The duration of Diploma in Yoga & Naturopathy is 1Year, Bachelor of Yoga & Naturopathy is 3 Years, Master of Yoga and Naturopathy is 2 Years In the field of Integrative Medicine, this covers the study of Naturopathy Medicine and Modern Medicine as Integrative Medicine and Therapeutic Yoga. The curriculum is taught in English with additional languages like Sanskrit & Hindi too by the University.

The Degree of B. Sc. Nursing is also being run under the umbrella of this Faculty. Health is the fundamental right of every individual in the society. To provide good academic resources, quality education and amicable environment is the sole motto of the programme.

STUDENTS' CLUBS

SAMARPAN CLUB

Sarala Birla University strongly believes in 'giving back to society'. With this objective, a club named "SAMARPAN" has been formed to increase social awareness. The activities of the club come under the purview of Dean Students Welfare Office.

From Information Technology to science, engineering and data analysis, coding skills play a crucial role for the societal upliftment. Gradient is the Coding Club in Sarala Birla University, Ranchi which promotes coding and helps students to sharpen their programming skills.

CODING CLUB

SHUTTERBUGS CLUB

It is the right place for those who want to learn photography through various workshops and show case their talents in several exhibitions.

It provides an opportunity to the students to let their imagination run wild and provides them with the sight to see things in a different way. Students learn from one another and share their prowess in different aspects of art.

FINE ARTS CLUB

LITERARY CLUB

It comprises students who willingly participate in various literary competitions such as debates, paper presentations, extempore and group discussions on inter and intra college levels.

MARKETING CLUB

AAKAR CLUB

Aakar Club (Giving Shape to Ideas) is introduced with the sole objective to inculcate all round development and creativity in the minds of students. In this club, the students will be provided with ample number of opportunities to organize & participate in various activities. Build a bridge, create a robot, get involved in creating a more sustainable world, turn plastic into construction material and make an actual difference in community, and the world.

It is a student-led collaborative group. Its goal is to keep students up to speed on the newest developments in technology, research, and industry while also allowing them to reinforce what they've learned in class.

VELOCITY CLUB

INTERNATIONAL ACADEMIC COLLABORATIONS

International Relation Department

Sarala Birla University's International Relations Office helps students pursue study opportunities abroad, offering guidance on placements, visa support, and cultural exchange programs. Through its global partnerships, the office ensures students gain valuable international exposure, enriching their academic and professional development.

EVENTS AT SBU

NATIONAL CONFERENCE

Each session commits to organise seminar/conference for the benefit of teachers/students/research scholars and give a platform for the exhibitors to present their research in specific topic or area of study. It is beneficial for each department of the university.

GLOBAL IMMERSION PROGRAM

Learning is a continuous process that involves various educational tools. These travels ingrain experimental learning along with persistent instruction required to be achievers.

UMANG

Sports activities are important in every curriculum. Umang was organised as a week-long inter-house sports meet within the campus - with an objective to bring together bright and young talents in various sports.

EVENTS AT SBU

FACULTY DEVELOPMENT PROGRAM

The Faculty Development Programme is organised by the University regularly for one week in association with UGC — MHRD and other prominent institutions for the all-round development of the faculty members. A number of researchers and professors from outside the University also participate in the FDP and enhance their knowledge and wisdom.

INDUSTRIAL VISIT

It is a part of the curriculum with an objective to come across real-life scenarios at the workplace, to inculcate ethics of that environment. Sarala Birla University organized industrial visits to Usha Martin Pvt. Ltd, MSME Tool Room, and many more units."

NATIONAL AYURVEDA DAY

Every year an event is organised by Faculty of Yoga, Naturopathy and Allied Sciences to spread awareness about importance of Ayurveda, Yoga and Naturopathy. Participants from various National and International organisations participate in the programme.
