Introduction :

Sarala Birla University, through its Institution's Innovation Council (IIC), proposes to host the Entrepreneurship and Startup Summit on 12th November 2025 at the University Campus. The technical sessions and inaugural will be held at the G.D. Birla Auditorium. This summit seeks to create a vibrant entrepreneurial ecosystem by connecting students, startup founders, mentors, investors, academicians, corporate leaders, and government representatives. It will serve as a platform for knowledge exchange, networking, mentorship, and incubation opportunities.

Objectives :

- To foster entrepreneurial thinking and innovation among youth.
- To provide a platform for startups to showcase ideas and prototypes.
- To facilitate networking opportunities with investors, mentors, and industry leaders.
- To organize capacity-building workshops on business modelling, digital marketing, finance and IP rights.
- To highlight government initiatives and funding opportunities for startups.
- To strengthen the university's role as a regional hub for innovation and entrepreneurship.
